## IMAGES to HAND IN at September Meeting

**No Task this month ...**

Instead I would like you to collect 20 of your favourite images together from your collection. Be it because of the composition, exposure, spontaneity, subject or precious 'Moments in Time'.

The segment will be called '**My Moments in Time**', and will be a collection of images that you feel proud to have taken.

Any subject ... taken whenever ...

A random selection from several members handed in images, will be shown in this segment each month, starting at the October Meeting.

This is another way for Society Members to show off their efforts in photography to other members, following on from the 'Monthly Member Portfolios' and recently 'Member Snapshot' (an impromptu look at a members images). Members name will be added at the bottom of each image, so others will know who is the photographer.

Remember, the Society is about motivating each other's photography in in a friendly, social environment ...

Please hand in on USB in a folder called '**My Moments in Time**' please.

## Rename your IMAGES that you hand-in ...

When you hand in a USB with images in future, could I ask you to add your name and subject to those files please! It takes a lot of time for us to rename files and add your name and subject, but I like to do this so we know who the photographer is for each image.

Example: Greg Ford - Night Mystery Tour - Woolwich 15-8-15  
or Greg Ford - Outing - Potter's Point - 24-5-15  
or Greg Ford - My Moments in Time - 23-8-15

thank you ...

## WILDFLOWER COMPETITION

Menai Wildflower Group is again running a Photographic competition to promote our local environment. Any photo of native plants, birds, fungi, scenery that will be of interest on a calendar is welcome. The calendar last year was a sell-out.

It will be judged by a well-known photographic expert, who has the onerous task of choosing only 12 finalists. It is well worth entering just to hear hints and constructive criticism.

Send up to 5 images or make inquiries to:

Lloyd Hedges
