. **PRESENTATION – Bill Karayannis** – (deferred from April meeting) After Bill's success in landing a 10 page spread in 'Australian Photography' magazine, and also being a member of our Photographic Society, I felt that we had to get him tell us his story leading up to the article being published, as well as seeing some more of his great images.

** Not knowing how the projector would work at the April meeting, I decided to ask Bill if he would mind showing his images at the May meeting instead.*
