## UPDATE No. 219 (19/08/2019)

---

Hi everybody,

Back from a GREAT trip to Africa with 21 other Society members.

This makes 167 Society members that have experienced Africa with our good friend, guide and tour operator, Arne.

She has shown us this countries diversity with it's culture, landscapes and animals, experiencing the true reality of this continent, in only a way that she can.

Thank you Arne, for the cherished memories ...

## Photography Courses & Private Lessons

- . Courses range from beginner to advanced
- . Learn to create images, rather than take images
- . Why do you have a good camera, if you don't know how to use it?
- . People get frustrated with their camera, so select Auto,  
and Auto is locking away 50% of the camera's ability to create

Gift  
Certificates  
available

**Course is 10 sessions (25 hours) including 10 hours in 4 practical (hands-on) workshops**

With my 'Understanding Digital Photography Course' I start from the basics, and will teach you enough so you will be able to take any subject in any light, and if it does not work, you will know what to do to fix it ...

*Teaching the Shire photography for over 13 years, to more than 2,500 residents*
