UPDATE No. 220 (30/08/2019)

Hi everybody,

Finally some rain ...

Outing planned for Saturday evening at Woollooware Bay is still on (details below), but if rain persists, and I decide to cancel, then I will send out a SMS message to members saying it's cancelled (around 3.30pm).

We had also planned to follow the Sunset – Blue Hour at Woollooware Bay, with a drive down to Bald Hill (Stanwell Park) to do some Astro Photography, but this might not eventuate due to the weather.

But If the weather is favourable, then we will decide if we go, while we are at Woollooware Bay. It's just that after it gets dark, the Milky Way is getting higher in the sky, and will continue to do so, as it gets later in the year. If we do go for Astro shoot, then best to bring some food for tea and rug up ...

(thanks for the Astro info Paul ...)

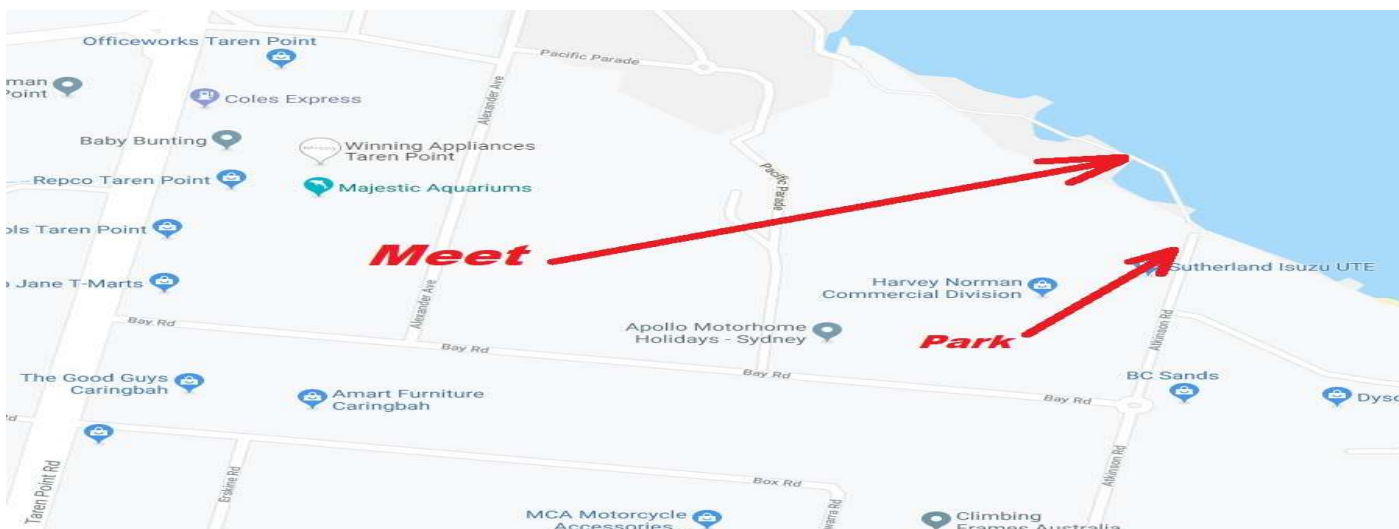

Next OUTING (Sat 31st Aug)

Woollooware Bay

Photography Courses & Private Lessons

- . Courses range from beginner to advanced
- . Learn to create images, rather than take images
- . Why do you have a good camera, if you don't know how to use it?
- . People get frustrated with their camera, so select Auto, and Auto is locking away 50% of the camera's ability to create

Gift
Certificates
available

Course is 10 sessions (25 hours) including 10 hours in 4 practical (hands-on) workshops

With my 'Understanding Digital Photography Course' I start from the basics, and will teach you enough so you will be able to take any subject in any light, and if it does not work, you will know what to do to fix it ...

Teaching the Shire photography for over 13 years, to more than 2,500 residents

Thanks to Rick and the staff of Digi Direct (Miranda) for their support of our Photographic Society.
