NEWSLETTER No. 242 (28/03/2021)

Hi everybody,

Hope this finds you well and drying out.

Have been trying to find out from Club on East as to the future of our Society meetings there, and when we might be able to start back, but having difficulty with them replying. Think I will go and see them soon ...

I have to go back to Prince of Wales for another 40 (two hour) sessions of hyperbaric treatment starting on April 6th – Bugger ...

During these sessions, I have to have an OP, but not expecting it to impact on Friday Night Webinar Society Meetings or our fortnightly outings.

There is no real health problem – just maintenance - you know – getting older ...

Moving on ...

 **Society Friday Night ZOOM Webinar (meeting) THIS FRIDAY ...**

Includes – Composition on 'Audley Weir in flood ...'

Reviewing images including member Task & Outing Images, discussing Composition, Settings and Photographic Techniques, together with other topics of interest to our photographers.

Note: No lead-in presentations now, so just log-in from 6.55pm on the first & third Friday night of the month. Webinar starts at 7pm.

No need for camera or mike to participate, just look and listen ...

Here is the Zoom link to join in the Photographic Society Zoom meeting **LIVE**

It is the same link we have used the past year ...

Whoops – The first 20 minutes of the last meeting did not record – user error ... sorry

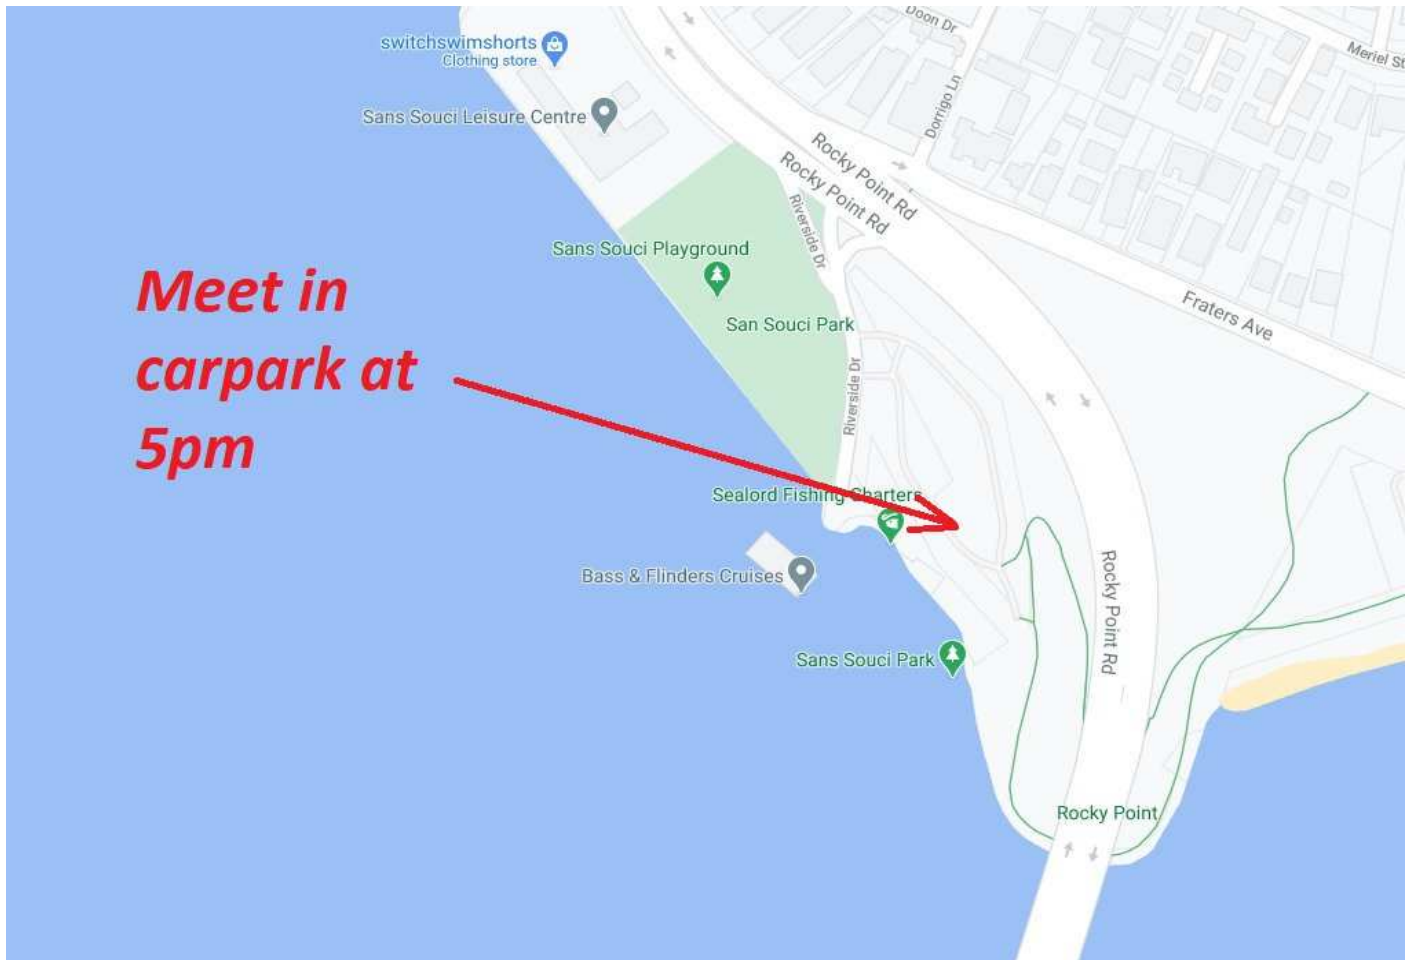

Next Outing (Sat 3rd April) Sans Souci Park SUNSET

Meeting at the carpark near Bass & Flinders Jetty at 5pm, for 5.45pm Sunset (*Daylight saving finished*) ...

This location will give plenty of opportunities for sunset, from up on Captain Cook Bridge (or underneath), on the river-edge walkway, alongside Sans Souci pool, or further around towards the St George Motor Boat club.

Note: Ring me (0415 412 244) if uncertain re weather – There is no cancellation notices ...

Enhancement TASK

At the last Steering Committee meeting we discussed having an Image for small groups of members to Enhance (in their own way) to compare.

To participate, just message or email me to ask to be put on the Enhancing list, then each fortnight I will send you an image to enhance. Just send back to me before the next Webinar-Meeting, and we will review the different styles people come up with.

IMAGE of the MONTH

Everybody can submit THEIR favourite Image they have taken during the previous month.

With this image, it can be of any subject, any location, manipulated in any way, just YOUR favourite ...
